ANNUAL REPORT

2021-2022

Celebrating
15 YEARS
of educating students

Glorifying God by providing an academically challenging education in a Christian environment to families with limited school choice.

Thank you!

Happy 15th Birthday, Montgomery Christian School! Celebrating our birthday blessings, we continue to strive for excellence in education, marking the MCS way as one of development of minds, discernment of truth, and discipline of self. MCS educates Kindergarten to 5th grade students by fostering thinking, cultivating creativity, instilling Christian values, shaping worldview, and expanding life experiences.

Celebrating God's faithfulness, we count YOU as a key blessing. Because of our community of donors and prayer warriors, our mission continues after 15 years. Walking through the hallways, our mission and vision remain our focus: glorifying God by providing an academically challenging education in a Christian environment to families with limited school choice. Our partnership with parents continues to be our vision as we walk alongside each advocate of our students. We praise God for the relationships built with the Lord, with one another, and with our community.

Celebrating God at work, MCS rejoices in great test scores and relationships built through family nights, basketball games, chapels, programs (Thanksgiving, Christmas, Black history, Art and Music, and end-of-year), and other activities showing how much God is at work in the lives of our students and their families. Thank you for providing a Christ-centered education for the under-resourced where we can partner with our families in providing a holistic education. We celebrate and give God all the glory for the work He continues in Montgomery Christian School students' hearts and minds.

Attending Private or
Magnet Schools

Upon graduation, each of this year's graduates are now attending a local area private or magnet school (Alabama Christian Academy, Baldwin Arts & Academics Magnet School, Eastwood Christian School, Floyd Middle Magnet School, Montgomery Academy, Montgomery Catholic School, Success Unlimited, Trinity Presbyterian School, and Valiant Cross Academy). Thanks to your support, these students have received a rigorous, Christ-centered education and are well prepared for their next step.

MCS Alumni Spotlight

Montgomery Christian School alumni Parker Duncan just graduated from Trinity Presbyterian School in May. Parker attended MCS from kindergarten to fifth grade and then enrolled in TPS. As a high school student, Parker was extremely involved- SGA (President), show choir, school plays and athletics. He is now attending Auburn University where he is studying business. Congratulations to Parker and all of this year's high school graduates. We are proud of you!

Thank YOU!

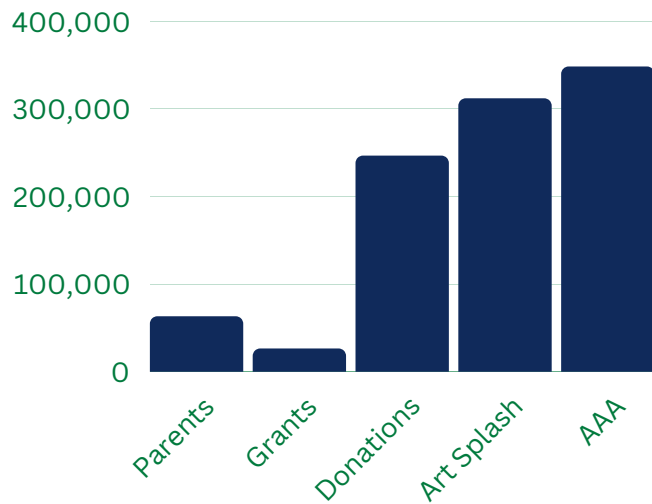

Celebrating Generosity & Leadership

Montgomery Christian School is blessed by our community donors. Thankfully, we receive gifts from individuals and businesses as well as grants and Scholarships for Kids (AAA).

We remain grateful for the provision of God and the generosity of our community!

Funding Sources

96 cents of every dollar is delivered directly to benefit a child at MCS.

The 10th Anniversary of our primary fundraising event – **Art Splash** – was spectacular. The magnificent Methvin home was the setting for the springtime extravaganza. Thanks to the 28 talented artists, 80 gracious sponsors, 12 generous vendors and hundreds of guests, over \$300,000 was raised for scholarships for deserving students at MCS!
