YouTube

“

We are so grateful for all that the teachers and staff are doing for students, especially during this coronavirus time. My child loves the ZOOM classroom time to see her teachers and classmates.”

Parent, 2nd grade

“

MCS has the most determined teachers and staff that will help you grow academically. I've been at MCS since kindergarten and I love it here! Thank you to all of the staff that helped me grow! I will never forget MCS!”

Khye Cunningham, 5th grade student

TRANSFORMATIONAL EDUCATION

A NOTE FROM THE PRINCIPAL

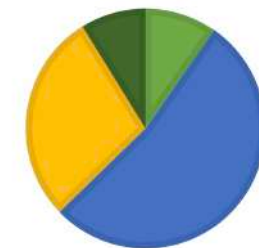

What a great transformational year with our wonderful students, parents, and staff! We began the year with 90 students in our building and ended the school year successfully with “MCS at Home” due to COVID-19. Within just a few days, we transitioned from an in-school, academically challenging curriculum to robust virtual learning

and finished the year strong! **None of this would be possible without the generous giving of our donors. Thank you for allowing us to give families in the Montgomery area a school choice.**

With a grateful heart,

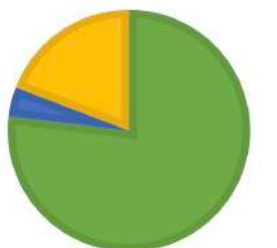

Kathi Atkins
